**Bialetti “Chocolate & Cappuccino”,  
the Perfect Gift for Sweet Lovers and Others.**

An exclusive and innovatively designed gift idea that is perfect for use either when alone or together with family and friends; there’s nothing better than an object like this, which is ready for use when your sweet tooth needs to be satisfied. **“Chocolate & Cappuccino”** has flavor in its DNA, because it allows you to prepare creamy cappuccinos and dense hot chocolates just like the ones made in cafes, and it also features an original form that resembles a coffee maker.

**“Chocolate & Cappuccino”**, as the name itself reveals, lets you prepare **cappuccinos and hot chocolates in a simple and quick manner**, so that you can pamper yourself with a hot drink, ideal for any time of day.

When winter is over, the device won’t be put away, though, because **“Chocolate & Cappuccino”** can still be used even when the cold weather ends: in fact, the machine can prepare many other delicious recipes, such as mousses, frappes, puddings and creams, thanks to the two special accessories included in the package, which allow for the preparation of any type of cream. Moreover, the exclusive cool-mixing function allows you to prepare thirst-quenching cold drinks, providing sweet treats throughout the year.

**“Chocolate & Cappuccino”** is equipped with an adjustable timer with automatic shut-off, to guarantee ease-of-use and safety. The package includes some recipes which will provide inspiration for bringing your favourite creamy concoctions to life.
